#### **Item 4. Description of Securities.**

Not applicable.

#### **Item 5. Interests of Named Experts and Counsel.**

Not applicable.

#### **Item 6. Indemnification of Directors and Officers.**

Section 145 of the Delaware General Corporation Law authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers under certain circumstances and subject to certain limitations. The terms of Section 145 of the Delaware General Corporation Law are sufficiently broad to permit indemnification under certain circumstances for liabilities, including reimbursement of expenses incurred, arising under the Securities Act.

As permitted by the Delaware General Corporation Law, the Registrant's restated certificate of incorporation to be effective upon the completion of the Registrant's initial public offering contains provisions that eliminate the personal liability of its directors for monetary damages for any breach of fiduciary duties as a director, except liability for the following:

- any breach of the director's duty of loyalty to the Registrant or its stockholders;
- acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- under Section 174 of the Delaware General Corporation Law (regarding unlawful dividends and stock purchases); or
- any transaction from which the director derived an improper personal benefit.

As permitted by the Delaware General Corporation Law, the Registrant's restated bylaws to be effective upon the completion of the Registrant's initial public offering, provide that:

- the Registrant is required to indemnify its directors and officers to the fullest extent permitted by the Delaware General Corporation Law, subject to very limited exceptions;
- the Registrant may indemnify its other employees and agents as set forth in the Delaware General Corporation Law;
- the Registrant is required to advance expenses, as incurred, to its directors and officers in connection with a legal proceeding to the fullest extent permitted by the Delaware General Corporation Law, subject to very limited exceptions; and
- the rights conferred in the restated bylaws are not exclusive.

The Registrant has entered into indemnification agreements with each of its current directors and executive officers to provide these directors and executive officers additional contractual assurances regarding the scope of the indemnification set forth in the Registrant's restated certificate of incorporation and restated bylaws and to provide additional procedural protections. The indemnification provisions in the Registrant's restated certificate of incorporation, restated bylaws, and the indemnification agreements entered into between the Registrant and each of its directors and executive officers may be sufficiently broad to permit indemnification of the Registrant's directors and executive officers for liabilities arising under the Securities Act.

The Registrant currently carries liability insurance for its directors and officers.

Reference is also made to the Underwriting Agreement filed with the Form S-1 for the Registrant's initial public offering, which provides for the indemnification of officers, directors, and controlling persons of the Registrant against certain liabilities.

See also the undertakings set out in response to Item 9 of this Registration Statement.

#### **Item 9. Undertakings.**

A. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent not more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference into this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered hereby, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling

precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

## SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Solana Beach, State of California, on June 4, 2021.

## CLEARPOINT NEURO, INC.

## 2021 EMPLOYEE STOCK PURCHASE PLAN

**1. Establishment of Plan.** ClearPoint Neuro, Inc. a Delaware corporation (the “*Company*”), proposes to grant options to purchase shares of Common Stock to eligible employees of the Company and its Participating Corporations pursuant to this Plan. The Company intends this Plan to qualify as an “employee stock purchase plan” under Code Section 423, including the requirement of Code Section 423(b)(5) that all eligible employees granted options under the Plan have the same rights and privileges with respect to such options and this Plan will be so construed; provided that the Company may adopt sub-plans applicable to particular Participating Corporations which sub-plans may be designed to be outside the scope of Section 423 of the Code. Subject to Section 14, a total of 400,000 shares of Common Stock is reserved for issuance under this Plan. The number of shares reserved for issuance under this Plan and the maximum number of shares that may be issued under this Plan will be subject to adjustments effected in accordance with Section 14 of this Plan. Capitalized terms not defined elsewhere in the text are defined in Section 27. This Plan is intended to comply with Rule 16b-3 under the Securities Exchange Act of 1934, and should be interpreted in accordance therewith.

**2. Purpose.** The purpose of this Plan is to provide eligible employees of the Company and Participating Corporations with a means of acquiring an equity interest in the Company through payroll deductions, to enhance such employees’ sense of participation in the affairs of the Company and Participating Corporations, and to provide an incentive for continued employment.

**3. Administration.**

(a) The Plan will be administered by the Compensation Committee of the Board or by the Board (as applicable, the “*Committee*”). Subject to the provisions of this Plan and the limitations of Section 423 of the Code or any successor provision in the Code, all questions of interpretation or application of this Plan will be determined by the Committee and its decisions will be final and binding upon all Participants. The Committee will have full and exclusive discretionary authority to construe, interpret, and apply the terms of the Plan, to determine eligibility and determine which entities will be Participating Corporations and whether an offer to Participating Corporations is intended to meet Code Section 423 requirements and to decide upon any and all claims filed under the Plan. Every finding, decision, and determination made by the Committee will, to the full extent permitted by law, be final and binding upon all parties. The Committee will have the authority to determine the Fair Market Value (which determination will be final, binding, and conclusive for all purposes) in accordance with Section 8 below and to interpret Section 8 of the Plan in connection with circumstances that impact the Fair Market Value. Members of the Committee will receive no compensation for their services in connection with the administration of this Plan, other than standard fees as established from time to time by the Board for services rendered by Board members serving on the Board or its committees. All expenses incurred in connection with the administration of this Plan will be paid by the Company. For purposes of this Plan, the Committee may designate separate offerings under the Plan (the terms of which need not be identical) in which eligible employees of one or more Participating Corporations will participate, even if the dates of the applicable Offering Periods of each such offering are identical. The Committee may also establish rules to govern transfers of employment among the Company and any Participating Corporation, in accordance with the applicable requirements of Code Section 423 and the terms of the Plan.

(b) The Committee may adopt such rules, procedures, and sub-plans as are necessary or appropriate to permit the participation in the Plan by eligible employees who are citizens or residents of a jurisdiction and/or employed outside the United States, in accordance with Treasury Regulation 1.423(f)(4), the terms of which sub-plans may take precedence over other provisions of this Plan, with the exception of the provisions in Section 1 above setting forth the number of shares of Common Stock reserved for issuance under the Plan; provided that unless otherwise superseded by the terms of such sub-plan, the provisions of this Plan will govern the operation of such sub-plan. Further, the Committee is specifically authorized to adopt rules and procedures regarding the application of the definition of Compensation (as defined below) to Participants on payrolls outside of the United States, handling of payroll deductions and other contributions, taking of payroll deductions and making of other contributions to the Plan, establishment of bank or trust accounts to hold contributions, payment of interest, establishment of the exchange rate applicable to payroll deductions taken and other contributions made in a currency other than U.S. dollars, obligations to pay payroll tax, determination of beneficiary designation requirements, tax withholding procedures, and handling of stock certificates that vary with applicable local requirements.

---

**4. Eligibility.** Any employee of the Company or the Participating Corporations is eligible to participate in an Offering Period under this Plan, except that the Committee may exclude any or all of the following (other than where exclusion of such employees is prohibited by applicable law):

- (a) employees who are not employed by the Company or a Participating Corporation prior to the beginning of such Offering Period;
- (b) employees who are customarily employed for twenty (20) or less hours per week;
- (c) employees who are customarily employed for not more than six (6) months in any calendar year;
- (d) (i) employees who are “highly compensated employees” of the Company or any Participating Corporation (within the meaning of Section 414(q) of the Code), or (ii) any employees who are “highly compensated employees” (within the meaning of Section 414(q) of the Code) with compensation above a specified level, provided the exclusion is applied in an identical manner to all highly compensated employees of every corporation whose employees are granted options under the Plan or offering;
- (e) employees who are citizens or residents of a foreign jurisdiction (without regard to whether they are also a citizen of the United States or a resident alien (within the meaning of Section 7701(b)(1)(A) of the Code)) if either (i) such employee’s participation is prohibited under the laws of the jurisdiction governing such employee, or (ii) compliance with the laws of the foreign jurisdiction would violate the requirements of Section 423 of the Code;
- (f) individuals who provide services to the Company or any of its Participating Corporations as independent contractors who are reclassified as common law employees for any reason except for federal income and employment tax purposes.

The foregoing notwithstanding, employees who, together with any other person whose stock would be attributed to such employee pursuant to Section 424(d) of the Code, own stock or hold options to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or any of its Participating Corporations or who, as a result of being granted an option under this Plan with respect to such Offering Period, would own stock or hold options to purchase stock possessing five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or any of its Participating Corporations may not participate, in accordance with Treasury Regulation 1.423-2(d).

**5. Offering Dates.**

(a) While the Plan is in effect, the Committee will determine the duration and commencement date of each Offering Period and Purchase Period, provided that an Offering Period will in no event be longer than twenty-seven (27) months, except as otherwise provided by an applicable subplan and (ii) no Purchase Period will end later than the last day of the Offering Period in which it begins. Offering Periods may be consecutive or overlapping. Each Offering Period may consist of one or more Purchase Periods during which payroll deductions of Participants are accumulated under this Plan. Purchase Periods will be consecutive.

(b) Unless otherwise determined by the Committee, (i) the initial Offering Period (the “*Initial Offering Period*”) shall commence on the Effective Date and end on December 30, 2021 and the Initial Purchase Period (the “*Initial Purchase Period*”) shall commence on the Effective Date and end on December 30, 2021 (ii) the Initial

Offering Period and each subsequent Offering Period shall consist of four (4) six (6) month Purchase Periods (provided that the Initial Purchase Period shall be less than six (6) months), and (iii) each Offering Period following the Initial Offering Period and each Purchase Period following the initial Purchase Period shall each commence on January 1 and July 1 and end on June 30 and December 30 of each six (6) month period following commencement of such Offering Period or Purchase Period, respectively. The Committee shall have the power to change these terms as provided in Section 25 below.

## 6. Participation in this Plan.

(a) **Enrollment in Initial Offering Period.** Any employee who is an eligible employee determined in accordance with Section 4 immediately prior to the Initial Offering Period may enroll in the Initial Offering Period at a contribution level equal to an amount equal to at least one percent (1%) of Compensation (the “*Initial Contribution Level*”). A Participant that is enrolled in the Initial Offering Period pursuant to this section will be entitled to continue to participate in the Initial Offering Period only if such Participant submits a subscription agreement in a form determined by the Administrator, or electronic representation thereof, to the Company and/or an authorized third party administrator (the “*Third Party Administrator*”) authorizing his or her contributions and confirming or changing his or her contribution rate (i) no earlier than the date on which an effective registration statement pursuant to Form S-8 is filed with respect to the issuance of Common Stock under this Plan, and (ii) within thirty-one (31) days after the filing of such Form S-8, or such longer time as may be determined by the Company (the “*Initial Offering Period Window*”). If a Participant that is enrolled in the Initial Offering Period fails to submit a subscription agreement, or electronic representation thereof, during the Initial Offering Period Window, such Participant’s participation in the Initial Offering Period will be automatically terminated and he or she will be withdrawn from the Initial Offering Period.

(b) **Enrollment in Subsequent Offering Periods.** With respect to Offering Periods after the Initial Offering Period, an eligible employee determined in accordance with Section 4 may elect to become a Participant by submitting a subscription agreement, or electronic representation thereof, to the Company and/or via the Third Party Administrator’s standard process, prior to the commencement of the Offering Period to which such agreement relates in accordance with such rules as the Committee may determine.

(c) **Continued Enrollment in Offering Periods.** Once an employee becomes a Participant in an Offering Period then such Participant may automatically participate in each subsequent Offering Period commencing immediately following the last day of such prior Offering Period at the same contribution level unless the Participant withdraws or is deemed to withdraw from this Plan or terminates further participation in the Offering Period as set forth in Section 11 below or otherwise notifies the Company of a change in the Participant’s contribution level by filing an additional subscription agreement or electronic representation thereof with the Company and/or the Third Party Administrator, prior to the next Offering Period. A Participant that is automatically enrolled in a subsequent Offering Period pursuant to this section (i) is not required to file any additional subscription agreement in order to continue participation in this Plan, and (ii) will be deemed to have accepted the terms and conditions of the Plan, any sub-plan, and subscription agreement in effect at the time each subsequent Offering Period begins, subject to Participant’s right to withdraw from the Plan in accordance with the withdrawal procedures in effect at the time.

7. **Grant of Option on Enrollment.** Becoming a Participant with respect to an Offering Period will constitute the grant (as of the Offering Date) by the Company to such Participant of an option to purchase on the Purchase Date up to that number of shares of Common Stock determined by a fraction the numerator of which is the amount of the contribution level for such Participant multiplied by such Participant’s Compensation (as defined in Section 9 below) during such Purchase Period and the denominator of which is eighty-five percent (85%) of the lower of (a) the Fair Market Value on the Offering Date or (b) the Fair Market Value on the Purchase Date, but in no event less than the par value of a share; provided, however, that for the Purchase Period within the Initial Offering Period, the numerator will be the Initial Contribution Level of the Participant’s Compensation for such Purchase Period, or such lower percentage as determined by the Committee prior to the Effective Date or pursuant to a Participant’s election to change the amount as set forth in Section 6(a) above; and provided, further, that the number of shares of Common Stock subject to any option granted pursuant to this Plan will not exceed the lesser of (x) the maximum number of shares set by the Committee pursuant to Section 10(b) below with respect to the applicable Purchase Date or (y) the maximum number of shares which may be purchased pursuant to Section 10(a) below with respect to the applicable Purchase Date.

8. **Purchase Price.** The Purchase Price in any Offering Period will be eighty-five percent (85%) of the lesser of:

(a) the Fair Market Value on the Offering Date or

(b) the Fair Market Value on the Purchase Date.

## 9. Payment of Purchase Price; Payroll Deduction Changes; Share Issuances

(a) The Purchase Price of the shares is accumulated by regular payroll deductions made during each Offering Period, unless the Committee determines that contributions may be, or are required to be, made in another form (due to local law requirements, in another form with respect to categories of Participants outside the United States). The deductions are made as a percentage of the Participant’s Compensation in one percent (1%) increments not less than one percent (1%), nor greater than fifteen percent (15%) or such lower limit set by the Committee. “*Compensation*” means those components of the Participant’s cash compensation that are regular and recurring, including, but not limited to, sales commissions, but excluding any overtime pay or shift differentials, annual cash incentive compensation, and annual cash bonuses, and further excluding extraordinary cash items, all non-cash items, moving or relocation allowances, severance pay, fringe benefits, contributions or benefits received under employee benefit plans, payments for or related to equity compensation, and any similar items; however, the Committee, in its discretion, may at any time prior to the beginning of an Offering Period establish a different definition of Compensation for a subsequent Offering Period. For purposes of determining a Participant’s Compensation, any election by such Participant to reduce his or her regular cash remuneration under Sections 125 or 401(k) of the Code (or in foreign jurisdictions, equivalent salary deductions) will be treated as if the Participant did not make such election. Payroll deductions shall commence (i) for the Initial Offering Period, on the first payday on or following the end of the Initial Offering Period Window (and, the payroll deductions for each of the remaining payroll periods in the Initial Offering Period will be increased by the amount of the payroll deductions that would have been made prior to end of the Initial Offering Period Window), and (ii) for subsequent Offering Periods, on the first payday following the beginning of any subsequent Offering Period, and in either case shall continue to the end of the applicable Offering Period unless sooner altered or terminated as provided in this Plan. Notwithstanding the foregoing, the terms of any subplan may permit matching shares without the payment of any purchase price.

(b) Subject to Section 25 below and to the rules of the Committee, a Participant may decrease the rate of payroll deductions during an ongoing Offering Period by filing with the Company and/or the Third Party Administrator a new authorization for payroll deductions, with the new rate to become effective as soon as reasonably practicable and continuing for the remainder of the Offering Period unless changed as described below. A decrease in the rate of payroll deductions may be made once during an Offering Period or more or less frequently under rules determined by the Committee. An increase in the rate of payroll deductions may not be made with respect to an ongoing Offering Period unless otherwise determined by the Committee. A Participant may increase or decrease the rate of payroll deductions for any subsequent Offering Period by filing with the Company and/or the Third Party Administrator a new authorization for payroll deductions prior to the beginning of such Offering Period or such other time period as may be specified by the Committee.

(c) Subject to Section 25 below and to the rules of the Committee, a Participant may reduce his or her payroll deduction percentage to zero during an Offering Period by filing with the Company a request for cessation of payroll deductions, with such reduction to become effective as soon as reasonably practicable and after such reduction becomes effective, no further payroll deductions will be made for the duration of the Offering Period. Payroll deductions credited to the Participant’s account prior to the effective date of the request will be used to purchase shares of Common Stock in accordance with Section (e) below. A reduction of the payroll deduction percentage to zero

will be treated as such Participant's withdrawal from such Offering Period and the Plan, effective as of the day after the next Purchase Date following the filing date of such request with the Company.

(d) All payroll deductions made for a Participant are credited to his or her account under this Plan and are deposited with the general funds of the Company, and the Company will not be obligated to segregate such payroll deductions, except to the extent required to be segregated due to local legal restrictions outside the United States. No interest accrues on the payroll deductions, except to the extent required due to local legal requirements outside the United States. All payroll deductions received or held by the Company may be used by the Company for any corporate purpose, except to the extent necessary to comply with local legal requirements outside the United States.

---

(e) On each Purchase Date, so long as this Plan remains in effect and provided that the Participant has not submitted a signed and completed withdrawal form before that date which notifies the Company and/or the Third Party Administrator that the Participant wishes to withdraw from that Offering Period under this Plan and have all payroll deductions accumulated in the account maintained on behalf of the Participant as of that date returned to the Participant, the Company will apply the funds then in the Participant's account to the purchase of whole shares of Common Stock reserved under the option granted to such Participant with respect to the Offering Period to the extent that such option is exercisable on the Purchase Date. The Purchase Price will be as specified in Section 8 of this Plan. Any amount remaining in a Participant's account on a Purchase Date which is less than the amount necessary to purchase a full share of Common Stock will be carried forward into the next Purchase Period or Offering Period, as the case may be (except to the extent required due to local legal requirements outside the United States), or otherwise treated as determined by the Committee. In the event that this Plan has been oversubscribed, all funds not used to purchase shares on the Purchase Date will be refunded to the Participant without interest (except to the extent required due to local legal requirements outside the United States). No Common Stock will be purchased on a Purchase Date on behalf of any employee whose participation in this Plan has terminated prior to such Purchase Date (except to the extent required due to local legal requirements outside the United States).

(f) As promptly as practicable after the Purchase Date, the Company will issue shares for the Participant's benefit representing the shares purchased upon exercise of his or her option.

(g) During a Participant's lifetime, his or her option to purchase shares hereunder is exercisable only by him or her. The Participant will have no interest or voting right in shares covered by his or her option until such option has been exercised.

(h) To the extent required by applicable federal, state, local, or foreign law, a Participant will make arrangements satisfactory to the Company and the Participating Corporation employing the Participant for the satisfaction of any withholding tax obligations that arise in connection with the Plan. The Company or any Participating Corporation, as applicable, may withhold, by any method permissible under applicable law, the amount necessary for the Company or any Participating Corporation, as applicable, to meet applicable withholding obligations, including up to the maximum permissible statutory rates and including any withholding required to make available to the Company or any Participating Corporation, as applicable, any tax deductions or benefits attributable to the sale or early disposition of shares of Common Stock by a Participant. The Company will not be required to issue any shares of Common Stock under the Plan until such obligations are satisfied.

#### **10. Limitations on Shares to be Purchased.**

(a) No Participant will be entitled to purchase stock under any Offering Period at a rate which, when aggregated with such Participant's rights to purchase stock under all other employee stock purchase plans of a Participating Company intended to meet the requirements of Section 423 of the Code, that are also outstanding in the same calendar year(s) (whether under other Offering Periods or other employee stock purchase plans of the Company, its Parent, and its Subsidiaries), exceeds \$25,000 in Fair Market Value, determined as of the Offering Date (or such other limit as may be imposed by the Code) for each calendar year in which such Offering Period is in effect (the "*Maximum Share Amount*"). The Company may automatically suspend the payroll deductions of any Participant as necessary to enforce such limit provided that when the Company automatically resumes such payroll deductions, the Company must apply the rate in effect immediately prior to such suspension.

(b) The Committee may, in its sole discretion, set a lower maximum number of shares which may be purchased by any Participant during any Offering Period than that determined under Section 10(a) above, which will then be the Maximum Share Amount for subsequent Offering Periods; provided, however, that in no event will a Participant be permitted to purchase more than Three Thousand Five Hundred (3,500) shares during any one Purchase Period or such greater or lesser number as the Committee may determine, irrespective of the Maximum Share Amount set forth in (a) and (b) hereof. If a new Maximum Share Amount is set, then all Participants will be notified of such Maximum Share Amount prior to the commencement of the next Offering Period for which it is to be effective. The Maximum Share Amount will continue to apply with respect to all succeeding Offering Periods unless revised by the Committee as set forth above.

---

(c) If the number of shares to be purchased on a Purchase Date by all Participants exceeds the number of shares then available for issuance under this Plan, then the Company will make a pro rata allocation of the remaining shares in as uniform a manner as will be reasonably practicable and as the Committee will determine to be equitable. In such event, the Company will give written notice of such reduction of the number of shares to be purchased under a Participant's option to each Participant affected.

(d) Any payroll deductions accumulated in a Participant's account which are not used to purchase stock due to the limitations in this Section 10, and not covered by Section 9(e), will be returned to the Participant as soon as administratively practicable after the end of the applicable Purchase Period, without interest (except to the extent required due to local legal requirements outside the United States).

#### **11. Withdrawal.**

(a) Each Participant may withdraw from an Offering Period under this Plan pursuant to a method specified by the Company. Such withdrawal may be elected at any time prior to the end of an Offering Period, or such other time period as specified by the Committee. The Committee may set forth a deadline of when a withdrawal must occur to be effective prior to a given Purchase Date in accordance with policies it may approve from time to time.

(b) Upon withdrawal from this Plan, the accumulated payroll deductions will be returned to the withdrawn Participant, without interest (except to the extent required due to local legal requirements outside the United States), and his or her interest in this Plan will terminate. In the event a Participant voluntarily elects to withdraw from this Plan, he or she may not resume his or her participation in this Plan during the same Offering Period, but he or she may participate in any Offering Period under this Plan which commences on a date subsequent to such withdrawal by filing a new authorization for payroll deductions in the same manner as set forth in Section 6 above for initial participation in this Plan.

(c) To the extent applicable, if the Fair Market Value on the first day of the current Offering Period in which a Participant is enrolled is higher than the Fair Market Value on the last day of any applicable Purchase Period, the Company will automatically withdraw the Participant from the current Offering Period and enroll such Participant in the subsequent Offering Period. Any funds accumulated in a Participant's account prior to the first day of such subsequent Offering Period will be applied to the purchase of shares on the Purchase Date preceding the first day of such subsequent Offering Period.

#### **12. Termination of Employment.** Termination of a Participant's employment for any reason, including (but not limited to) retirement, death, disability, or the failure of a Participant to remain an eligible employee of the Company or of a Participating Corporation, or Participant's employer no longer being a Participating Corporation,

immediately terminates his or her participation in this Plan (except to the extent required due to local legal requirements outside the United States). In such event, accumulated payroll deductions credited to the Participant's account will be returned to him or her or, in the case of his or her death, to his or her legal representative, without interest (except to the extent required due to local legal requirements outside the United States). For purposes of this Section 12, an employee will not be deemed to have terminated employment or failed to remain in the continuous employ of the Company or of a Participating Corporation in the case of sick leave, military leave, or any other leave of absence approved by the Company; provided that such leave is for a period of not more than ninety (90) days or reemployment upon the expiration of such leave is guaranteed by contract or statute. The Company will have sole discretion to determine whether a Participant has terminated employment and the effective date on which the Participant terminated employment, regardless of any notice period or garden leave required under local law.

**13. Return of Payroll Deductions.** In the event a Participant's interest in this Plan is terminated by withdrawal, termination of employment, or otherwise, or in the event this Plan is terminated by the Board, the Company will deliver to the Participant all accumulated payroll deductions credited to such Participant's account. No interest will accrue on the payroll deductions of a Participant in this Plan (except to the extent required due to local legal requirements outside the United States).

---

**14. Capital Changes.** If the number of outstanding shares is changed by a stock dividend, recapitalization, stock split, reverse stock split, subdivision, combination, reclassification, or similar change in the capital structure of the Company, without consideration, then the Committee will adjust the number and class of Common Stock that may be delivered under the Plan, the Purchase Price, and the number of shares of Common Stock covered by each option under the Plan which has not yet been exercised, and the numerical limits of Sections 1 and 10 will be proportionately adjusted, subject to any required action by the Board or the stockholders of the Company and in compliance with applicable securities laws; provided that fractions of a share will not be issued.

**15. Nonassignability.** Neither payroll deductions credited to a Participant's account nor any rights with regard to the exercise of an option or to receive shares under this Plan may be assigned, transferred, pledged, or otherwise disposed of in any way (other than by will, pursuant to the laws of descent and distribution, or as provided in Section 22 below) by the Participant. Any such attempt at assignment, transfer, pledge, or other disposition will be void and without effect.

**16. Use of Participant Funds and Reports.** The Company may use all payroll deductions received or held by it under the Plan for any corporate purpose, and the Company will not be required to segregate Participant payroll deductions (except to the extent required due to local legal requirements outside the United States). Until shares are issued, Participants will only have the rights of an unsecured creditor (except to the extent required due to local legal requirements outside the United States). Each Participant will receive, or have access to, promptly after the end of each Purchase Period a report of his or her account setting forth the total payroll deductions accumulated, the number of shares purchased, the Purchase Price thereof, and the remaining cash balance, if any, carried forward or refunded, as determined by the Committee, to the next Purchase Period or Offering Period, as the case may be.

**17. Notice of Disposition.** If Participant is subject to tax in the United States, Participant will notify the Company in writing if the Participant disposes of any of the shares purchased in any Offering Period pursuant to this Plan. If such disposition occurs within two (2) years from the Offering Date or within one (1) year from the Purchase Date on which such shares were purchased, the Company may place a legend or legends on any certificate representing shares acquired pursuant to this Plan requesting the Company's transfer agent to notify the Company of any transfer of the shares. The obligation of the Participant to provide such notice will continue notwithstanding the placement of any such legend on the certificates.

**18. No Rights to Continued Employment.** Neither this Plan nor the grant of any option hereunder will confer any right on any employee to remain in the employ of the Company or any Participating Corporation, or restrict the right of the Company or any Participating Corporation to terminate such employee's employment.

**19. Equal Rights And Privileges.** All eligible employees granted an option under this Plan that is intended to meet the Code Section 423 requirements will have equal rights and privileges with respect to this Plan or within any separate offering under the Plan so that this Plan qualifies as an "employee stock purchase plan" within the meaning of Section 423 or any successor provision of the Code and the related regulations. Any provision of this Plan which is inconsistent with Section 423 or any successor provision of the Code will, without further act or amendment by the Company or the Committee, be reformed to comply with the requirements of Section 423 (unless such provision applies exclusively to options granted under the Plan that are not intended to comply with the Code Section 423 requirements). This Section 19 will take precedence over all other provisions in this Plan.

**20. Notices.** All notices or other communications by a Participant to the Company under or in connection with this Plan will be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

**21. Term; Stockholder Approval.** This Plan will become effective on the Effective Date. This Plan will be approved by the stockholders of the Company within twelve (12) months before or after the date this Plan is adopted by the Board. No purchase of shares that are subject to such stockholder approval before becoming available under this Plan will occur prior to stockholder approval of such shares, and the Committee may delay any Purchase Date and postpone the commencement of any Offering Period subsequent to such Purchase Date as deemed necessary or desirable to obtain such approval (provided that if a Purchase Date would occur more than twenty-four (24) months after commencement of the Offering Period to which it relates, then such Purchase Date will not occur, and instead such Offering Period will terminate without the purchase of such shares and Participants in such Offering Period will be refunded their contributions without interest, unless the payment of interest is required under local laws). This Plan will continue until the earlier to occur of (a) termination of this Plan by the Board (which termination may be effected by the Board at any time pursuant to Section 25 below), (b) issuance of all of the shares of Common Stock reserved for issuance under this Plan, or (c) the tenth anniversary of the first Purchase Date under the Plan.

---

**22. Designation of Beneficiary.**

(a) If provided in the subscription agreement, a Participant may file a written or electronic designation of a beneficiary who is to receive any shares and cash, if any, from the Participant's account under this Plan in the event of such Participant's death subsequent to the end of a Purchase Period but prior to delivery to him of such shares and cash. In addition, a Participant may file a written or electronic designation of a beneficiary who is to receive any cash from the Participant's account under this Plan in the event of such Participant's death prior to a Purchase Date. Such form will be valid only if it was filed with the Company and/or the Third Party Administrator at the prescribed location before the Participant's death.

(b) Such designation of beneficiary may be changed by the Participant at any time by written notice filed with the Company at the prescribed location before the Participant's death. In the event of the death of a Participant, and in the absence of a beneficiary validly designated under this Plan who is living at the time of such Participant's death, the Company will deliver such cash to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares or cash to the spouse or, if no spouse is known to the Company, then to any one or more dependents or relatives of the Participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

**23. Conditions Upon Issuance of Shares; Limitation on Sale of Shares.** Shares will not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such shares pursuant thereto will comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act, the Exchange Act, the rules and regulations promulgated thereunder, and the requirements of any stock exchange or automated quotation system upon which the shares may then be listed, exchange control restrictions, securities law restrictions, or other applicable laws outside the United States, and will be further subject to the approval of counsel for the

Company with respect to such compliance. Shares may be held in trust or subject to further restrictions as permitted by any subplan.

**24. Applicable Law.** The Plan will be governed by the substantive laws (excluding the conflict of laws rules) of the State of Delaware.

**25. Amendment or Termination.** The Committee, in its sole discretion, may amend, suspend, or terminate the Plan, or any part thereof, at any time and for any reason. If the Plan is terminated, the Committee, in its discretion, may elect to terminate all outstanding Offering Periods either immediately or upon completion of the purchase of shares of Common Stock on the next Purchase Date (which may be sooner than originally scheduled, if determined by the Committee in its discretion), or may elect to permit Offering Periods to expire in accordance with their terms (and subject to any adjustment pursuant to Section 14). If an Offering Period is terminated prior to its previously-scheduled expiration, all amounts then credited to Participants' accounts for such Offering Period, which have not been used to purchase shares of Common Stock, will be returned to those Participants (without interest thereon, except as otherwise required under local laws) as soon as administratively practicable. Further, the Committee will be entitled to establish rules to change the Purchase Periods and Offering Periods, limit the frequency and/or number of changes in the amount contributed during a Purchase Period or an Offering Period, permit payroll withholding in excess of the amount designated by a Participant in order to adjust for delays or mistakes in the administration of the Plan, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each Participant properly correspond with amounts contributed from the Participant's Compensation, and establish such other limitations or procedures as the Committee determines in its sole discretion advisable which are consistent with the Plan. Such actions will not require stockholder approval or the consent of any Participants. However, no amendment will be made without approval of the stockholders of the Company (obtained in accordance with Section 21 above) within twelve (12) months of the adoption of such amendment (or earlier if required by Section 21) if such amendment would (a) increase the number of shares that may be issued under this Plan or (b) change the designation of the employees (or class of employees) eligible for participation in this Plan. In addition, in the event the Committee determines that the ongoing operation of the Plan may result in unfavorable financial accounting consequences, the Committee may, in its discretion and, to the extent necessary or desirable, modify, amend, or terminate the Plan to reduce or eliminate such accounting consequences including, but not limited to: (a) amending the definition of compensation, including with respect to an Offering Period underway at the time; (b) altering the Purchase Price for any Offering Period including an Offering Period underway at the time of the change in Purchase Price; (c) shortening any Offering Period by setting a Purchase Date, including an Offering Period underway at the time of the Committee action; (d) reducing the maximum percentage of compensation a Participant may elect to set aside as payroll deductions; and (e) reducing the maximum number of shares of Common Stock a Participant may purchase during any Offering Period. Such modifications or amendments will not require approval of the stockholders of the Company or the consent of any Participants.

---

**26. Corporate Transactions.** In the event of a Corporate Transaction (as defined below), each outstanding right to purchase Common Stock will be assumed or an equivalent option substituted by the successor corporation or a parent or a subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the purchase right, the Offering Period with respect to which such purchase right relates will be shortened by setting a new Purchase Date (the "**New Purchase Date**") and will end on the New Purchase Date.
