

**MRI Interventions, Inc.**

**29,356,679 Shares of Common Stock**

This prospectus supplement relates to the prospectus dated January 29, 2016, as supplemented by prospectus supplement no. 1 dated March 22, 2016, prospectus supplement no. 2 dated March 25, 2016, prospectus supplement no. 3 dated April 4, 2016, prospectus supplement no. 4 dated April 25, 2016, prospectus supplement no. 5 dated May 6, 2016, prospectus supplement no. 6 dated June 6, 2016, prospectus supplement no. 7 dated June 9, 2016, and prospectus no. 8 dated July 1, 2016, which permits the resale of up to 16,309,270 outstanding shares of our common stock, and 13,047,409 shares of our common stock issuable upon the exercise of outstanding warrants, by the selling securityholders identified in the prospectus, as amended and supplemented from time to time. We will pay the expenses of registering the shares, but we are not selling any shares of common stock in this offering and therefore will not receive any proceeds from this offering. We will, however, receive the exercise price of the warrants, if and when the warrants are exercised for cash by the securityholders.

This prospectus supplement is being filed to update, amend and supplement the information previously included in the prospectus with the information contained in our Current Report on Form 8-K filed with the Securities and Exchange Commission on July 26, 2016 (the "8-K"). Accordingly, we have attached the 8-K to this prospectus supplement. You should read this prospectus supplement together with the prospectus, which is to be delivered with this prospectus supplement.

Our common stock is traded in the over-the-counter market and is quoted on the OTCQB Marketplace and the OTC Bulletin Board under the symbol MRIC. On July 25, 2016, the last reported sale price of our common stock was \$0.22 per share.

*We are an "emerging growth company" under the federal securities laws and are subject to reduced public company reporting requirements. Investing in our common stock involves risk. See "Risk Factors" beginning on page 6 of the prospectus, as amended and supplemented by the "Risk Factors" beginning on page 21 of our Annual Report on Form 10-K for the year ended December 31, 2015, which is included in prospectus supplement no. 2, to read about factors you should consider before buying shares of our common stock.*

---

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus or this prospectus supplement. Any representation to the contrary is a criminal offense.

The date of this prospectus supplement is July 26, 2016.

**Item 3.03. Material Modification to Rights of Security Holders.**

The information required by this Item 3.03 is set forth under Item 5.03 below and is hereby incorporated by reference in response to this Item.

**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On July 26, 2016, MRI Interventions, Inc. (the “Company”) filed a Certificate of Amendment of Certificate of Incorporation with the Secretary of State of Delaware (the “Certificate of Amendment”) to effect a 1-for-40 reverse stock split (the “Reverse Stock Split”) of the shares of the Company’s common stock, par value \$0.01 per share (“Common Stock”), effective as of 4:01 p.m. Eastern Time on July 26, 2016. As previously disclosed, the Reverse Stock Split is intended to permit the Company to meet one of the listing criteria for The Nasdaq Capital Market; however, there can be no assurance that the Company will be able to satisfy all of the listing criteria.

The Reverse Stock Split will reduce the number of shares of Common Stock outstanding from approximately 96.1 million shares to approximately 2.4 million shares, subject to adjustment for the payment of cash in lieu of fractional shares. The number of authorized shares of Common Stock under the Certificate of Incorporation will not change. In addition, proportionate adjustments will be made to the per share exercise price of, and the number of shares underlying, all outstanding options and warrants to purchase shares of Common Stock, and the number of shares reserved for issuance pursuant to the Company’s equity compensation plans will be reduced proportionately.

The foregoing description of the Certificate of Amendment is qualified in its entirety to the Certificate of Amendment which is filed as Exhibit 3.1 herewith and incorporated herein by reference.

The new CUSIP number for the Common Stock following the Reverse Stock Split is 55347P 209.

Stockholders who are holding their shares in electronic form at brokerage firms do not have to take any action as the effect of the Reverse Stock Split will automatically be reflected in their brokerage accounts. Stockholders who hold physical certificates will receive a transmittal letter from the Company’s transfer agent explaining how to obtain stock certificates with the new CUSIP number.

## **EXHIBIT INDEX**

<b>Exhibit No.</b>	<b>Description</b>
3.1	Certificate of Amendment of Certificate of Incorporation of MRI Interventions, Inc., filed with the Secretary of the State of Delaware on July 26, 2016

**CERTIFICATE OF AMENDMENT  
TO  
AMENDED AND RESTATED CERTIFICATE OF INCORPORATION  
OF  
MRI INTERVENTIONS, INC.**

(Pursuant to Section 242 of the General Corporation Law of the State of Delaware)

**MRI INTERVENTIONS, INC.**, a corporation duly organized and existing under and by virtue of the General Corporation Law of the State of Delaware, **DOES HEREBY CERTIFY:**

**FIRST:** That the name of the corporation is MRI Interventions, Inc.

**SECOND:** That the Amended and Restated Certificate of Incorporation of MRI Interventions, Inc., as amended, is hereby amended by deleting Section A of Article IV thereof and substituting the following in its place:

**A. Authorized Stock.** The total number of shares which the Corporation shall have authority to issue is Two Hundred Twenty Five Million (225,000,000), consisting of Two Hundred Million (200,000,000) shares of Common Stock, par value \$0.01 per share (the "Common Stock"), and Twenty Five Million (25,000,000) shares of Preferred Stock, par value \$0.01 per share (the "Preferred Stock"). Upon this Certificate of Amendment becoming effective pursuant to the General Corporation Law of the State of Delaware (the "Effective Time"), the shares of Common Stock issued and outstanding or held in treasury immediately prior to the Effective Time (the "Old Common Stock") shall be reclassified as and converted into a different number of shares of Common Stock (the "New Common Stock") such that each forty (40) shares of Old Common Stock shall, at the Effective Time, be automatically reclassified as and converted into one share of New Common Stock. From and after the Effective Time, certificates representing the Old Common Stock shall represent the number of whole shares of New Common Stock into which such Old Common Stock shall have been reclassified pursuant to this Certificate of Amendment. No fractional shares of Common Stock shall be issued as a result of such reclassification and combination. In lieu of any fractional shares to which the stockholder would otherwise be entitled, the Corporation shall pay cash equal to such fraction multiplied by the then fair value of the Common Stock as determined in good faith by the Board of Directors of the Corporation.

**THIRD:** That the foregoing amendment was duly adopted in accordance with the provisions of Section 242 of the General Corporation Law of the State of Delaware.

**FOURTH:** That this Certificate of Amendment shall be effective as of 4:01 p.m. eastern time on July 26, 2016.

*[Signature Page to Follow.]*

**IN WITNESS WHEREOF**, said corporation has caused this Certificate of Amendment to be signed by its duly authorized officer on this 26th day of July, 2016.

**MRI INTERVENTIONS, INC.**
